

# The Little Engine That Could

---

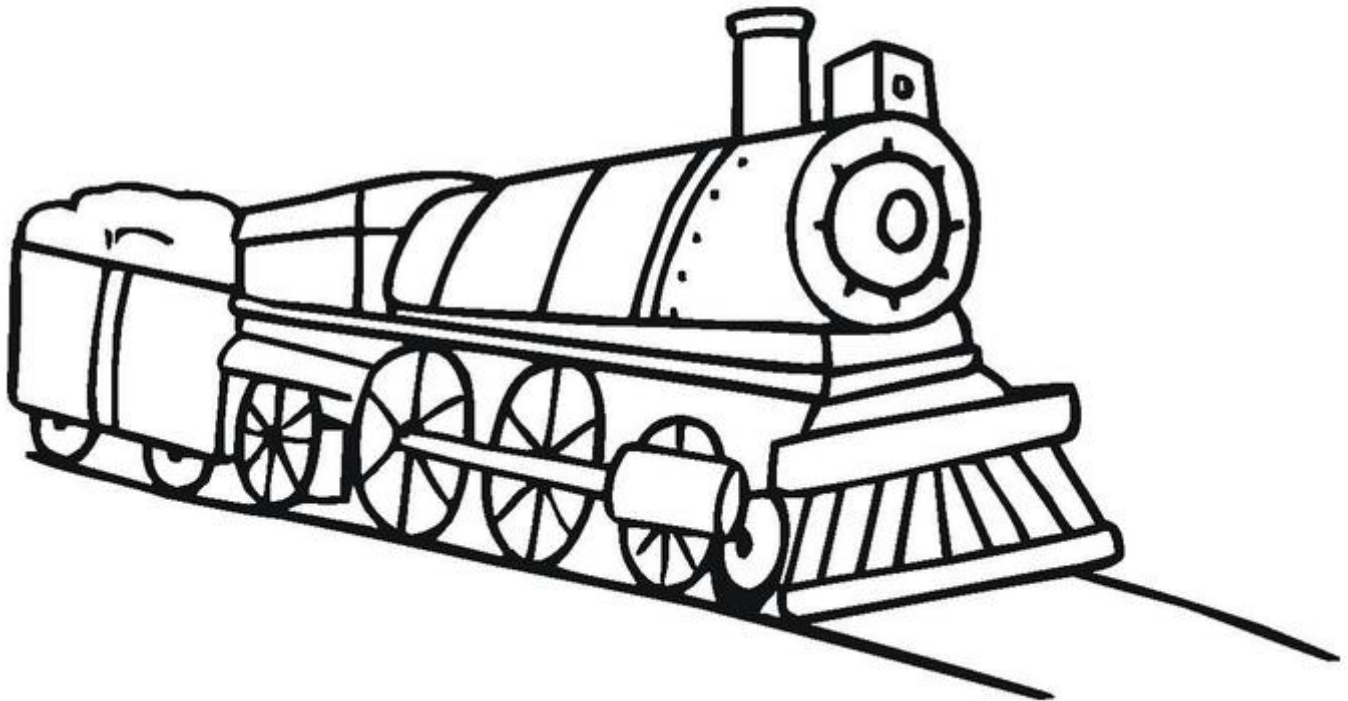

The RED #7 train said "My wheels won't turn. I need help."

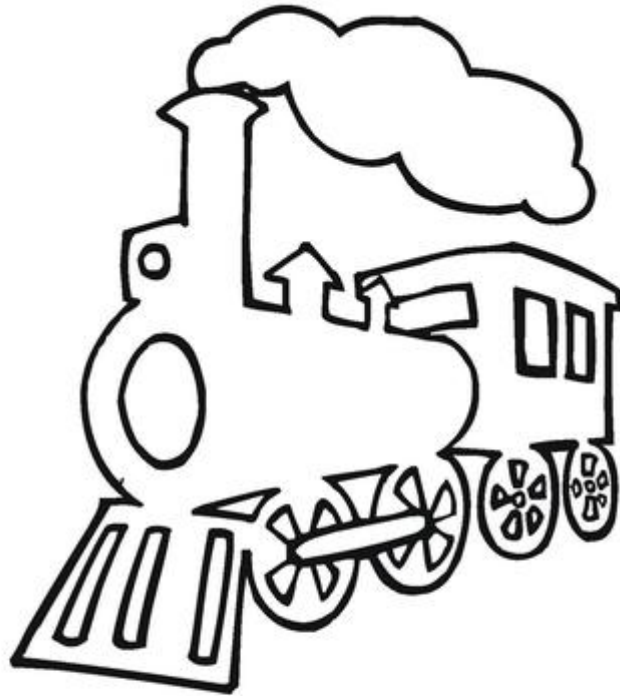

The shiny new YELLOW train said "I will not help you."

---

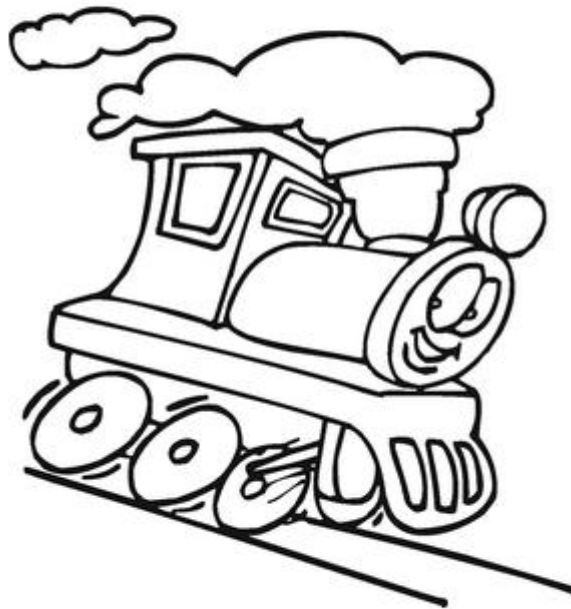

The BLACK #6 train said "I won't pull you over the mountain."

The rusty old BLACK #10 train said "I am to tired to help you."

---

The little BLUE engine said "I think I can, I think I can, I think I can."

The little BLUE engine made it up the mountain. He said "I thought I could, I thought I could, I thought I could."
